## General Statement of Compliance for board materials according to IOS-MAT-0003 (v14)

This form – or an equivalent form with the same information – shall be used in each step along the IKEA supply chain to declare compliance with requirements according to section 1.4 in IKEA specification IOS-MAT-0003 (AA-10899-14) for formaldehyde requirements on board materials.

This General Statement of Compliance shall be in English; addition of information in local language is voluntary.

We as,

- manufacturer of particleboard, MDF (including HDF) or plywood (including plywood veneer core and plywood composite core)
- distributor of, board formatter of or applicator of surface covering or coating to particleboard, MDF (including HDF) or plywood,
- manufacturer of components containing particleboard, MDF (including HDF) or plywood,

certify that we have read and understood IKEA specification IOS-MAT-0003 (AA-10899-14), and that all components listed in *Table 1* **Error! Reference source not found.** and delivered from us after the signing date below comply with IKEA requirements according to this specification.
